Dear Ms Roe,

Thank you for your follow up correspondence. I'm sorry that you haven't received any formal response yet. I have been in touch with the College about this matter and they have advised that they are gathering the relevant information and will respond to you in the coming weeks.

I have copied in Professor Bennett, the Associate Dean (Higher Degree Research) from the College of Arts and Social Sciences who will be in touch with you directly.

I am unable to assist with this any further and will leave it with Professor Bennett to get back to you.

Kind regards,  
Jenny
